KENYON COLLEGE

FOREWORD

The past year at Kenyon has seen so many changes, changes altering the course of the College life, that even without written record, it will go down in the minds of all Kenyon men as unforgettable. It is our intention not to be content with mere recording, but to give you a warm and life-like idea of the events and the background upon which they transpired.

The quartered shields running through the book honor the four minor sports at Kenyon which have attained national prominence by their successful competition.

DEDICATION

To President William Foster Peirce, who for forty-one years has been the backbone of the College, who has lent guidance to ten Kenyon generations, respectfully and inadequately we give this book in dedication.

IN MEMORIAM

WILLIAM NOBUYUKI YAMAMOTO

His unfortunate death in an airplane accident last summer took from us a fine friend, a boy who already had found much recognition in aviation, and who held every promise of having a brilliant career.

PHI KAPPA SIGMA

On January 16th, Phi Kappa Sigma, Kenyon's newest fraternity, was formally installed on the Hill. Naturally, from the moment the fraternity came into being at Kenyon, the good wishes of the college have followed it and its members.

We take our opportunity to say, "Good luck and happiness, Phi Kappa Sigma."

Kenyon's tennis team lived up to all its advance notices, winning ten of eleven matches, and tying the other, with one remaining to be played. Don McNeill, playing number one post, was invincible save his touted match with Ernie Sutter, and Morey Lewis, George Pryor, and Gordon Reeder were not far behind. When it was necessary to play more than four men Roy Olds and Ned Cochrane were used.

The match with Tulane was the highlight of the season, and was tied, 3-3 in a splendid exhibition on a perfect day. Tulane had the benefit of many weeks of practice behind them, while Kenyon was handicapped early in the season by poor weather. The results follow:

Kenyon easily won the Ohio Conference tournament, Don McNeill winning the singles, Morey Lewis being runner-up. Pryor and Reeder copped the

doubles. On June 21 Kenyon will participate in the National Intercollegiates. McNeil is shown above in action.

FOOTBALL

Football at Kenyon in 1936 was luke warm, the team opening the season with an unimpressive win over little Holbrook, then losing the next four games, only to turn around and close the season with two splendid victories. The team outscored its opponents, 70-53 while thus winning three of the seven games.

The first half of the Holbrook game was a scoreless tie that dragged drably into the third period when a pass, Samon to Jasper, gave Kenyon a touchdown. Millikin kicked the extra point.

In this affair Kenyon started a line-up consisting of four seniors, three juniors, and four sophomores, but ten more men saw action before the fray was completed.

The next game was with Wittenberg, and Kenyon came out on the short end of a 20-0 count. It was Homecoming day, but the afternoon was a study in futility. Careless ball handling and mental errors, combined with deceptive plays by the visitors made the conflict a disaster. In the second period Wittenberg recovered a Mauve fumble and a pass scored the first touchdown.

Shortly after the second half opened Wittenberg tallied again, this time by again recovering a fumble and crossing the line by plunging. The third and last marker was the result of an intercepted pass.

The next week Kenyon sauntered down to Bethany College in West Virginia, and lost a close one, 6-0, the home team scoring in the first three minutes of play combining passes with plunges. The rain-soaked field was the scene of defensive play for the balance of the afternoon, the Purple failing completely to show any offense. Hank Sebach pulled a leg tendon in this game, and Jack Sted broke his wrist in practice, so it was a costly week indeed.

Again the next Saturday the men of Lambert took to the road, and again they failed to accomplish anything, losing to Capital, 7-0. Kenny Heisler, Capital triple-threat back, was the whole show, crashing through for the only score in the first period and then booting the extra marker. His punts held the Mauve at bay for the remainder of the fracas. This marked the third consecutive week that Kenyon failed to score and interest in the team was slipping. But better things were to come.

The Yeomen of Oberlin appeared here on October 31 in a battle that was foolishly touted as "the amateur championship of Ohio." Oberlin scored twice in a disastrous second period, and won the game, 14-7. The only high spot for Kenyon was the dash of plucky little Billy Elliott, Kenyon back, who broke loose for 30 yards in the closing minutes of the game to give Kenyon its first score since the opener with Holbrook. Injuries kept Dave Jasper, Junior end, and Bill Cann, Junior tackle, out of the game.

November 7 was designated as Dad's Day, and the dads saw Kenyon turn an abrupt about-face to trim Otterbein, 25-0. The star of the happy afternoon was Bill Elliott who broke loose for 56 yards and a touchdown, in addition to scoring once from the three-yard line. Other scores were Dick Olin and Paul Millikin. The defensive star was Dave Jasper, who spent the afternoon bottling-up various potential Otterbein runs. It was the last home game of the season.

Inspired by this result, Kenyon closed its season in a blaze of glory, running wild over little Hiram, 31-6 at the latter's den. Dick Olin was the hero this time, with two touchdowns to his credit, but not far behind were Elliott, Sammon, and Baker. It took two plays for Kenyon to start, Olin running back the kick-off to Hiram's 30, and Elliott skirting the side-lines for the score. Thereafter, the game was all Kenyon, Hiram finally breaking the ice on an intercepted pass.

Five outstanding seniors closed their careers with this battle. Most famed perhaps was Captain Fritz Taylor whose play at center thrilled Kenyon supporters during his career. Jack Sted, stellar guard; Paul Millikin, flashy back; Walt Kirijan, Gibraltar-like tackle; and Franklin Marks, substitute back, also saw the final curtain. These men have given their all for three years, and it is too bad that they are graduating when Kenyon football is just beginning to hum.

BASKETBALL

Instead of following the time-honored method of reviewing the basketball season, that is by accounts of all the games, this year the Reveille will try a different way of reviewing the season's accomplishments.

Kenyon basketball during the 1936-37 season was the most successful since the early days of Bud Evans' regime, even though at crucial times the team showed a tendency to back-fire. Here are the cold facts for what they are worth.

Six men saw action in every game; and fourteen men in all appeared.

Kenyon won eight games and lost six; they averaged 36 points per game.

Hank Sebach, who as a Sophomore set a new scoring record for Kenyon hoopsters, continued his good play as a Junior, averaging 10.36 points per contest to lead the pack. He was followed by the rest of the squad who boasted the following average points per game:

Sammon	6.65	Eustis	5.36
Stamm	6.15	Rollins	4.57

This was a great improvement for Sammon, Stamm, and Eustis, Sebach and Rollins slightly falling off from their previous records.

The games with Denison were certainly the most interesting battles of the season, Kenyon winning at Granville and losing at home. The schedule contained the general run of Ohio Conference colleges.

Graduating and sorely missed are Bud Eustis, Bob Stamm and Carl Crumrine. For three years they have served Kenyon well.

POLO

McMahon, Watts, Ake, Sted, G. A. Cook

Kenyon Polo Team holds claim to the Intercollegiate Indoor Polo Championship of Michigan, Ohio and Indiana. Kenyon's claim to the Midwestern crown is based on a double victory over Michigan State, Michigan champion; a victory over the Cincinnati cavalry which easily defeated Ohio State; and a win over Culver Military, the Indiana champion. Kenyon also defeated Cornell, who took the National Intercollegiate Indoor Polo championship, and the First Cleveland Cavalry, winners of the National Indoor Polo Championship, Sherman Memorial Class.

Kenyon has a record of ten victories against four defeats. It was known as a well-rounded, hard-riding team that has shown great progress and development especially when it is considered that polo is a fairly new sport at Kenyon.

Merle Ake, Bobby McMahon, Jack Sted, and Jeff Cook played in all the games.

Merle Ake and Jack Sted were each given a one goal National rating as a result of their improvement in play. Bobby McMahon, who carries a two goal national rating, was the scoring star for the team.

Kenyon's team loses three players: Merle Ake, Jack Sted, and Jeff Cook this year. Next year's team will be made up of Bobby McMahon, only veteran, Art Watts, Jim Trainer, George Nunn, Al Harris, and others. Even though there will be two green players on the team next year, there are high hopes.

The Swimming Team, Kenyon's youngest sport, entered its second year of competition in the new pool, and made a most enviable record. Ten meets resulted in seven wins, one tie, and two losses. In all fairness, it must be said that the two defeats were met with in away pools whose lengths were radically different from the home pool.

Carl Weiant served his team well as captain, and the entire team handled itself well. Brightest stars were Eagon, Sebach, Matthews, and Long. With one exception, the team was composed completely of Juniors. Next year a number of promising Freshmen will be eligible including Sonny Davis, Bill Griffin, Dick Lehrer, Bob Brouse, and Don Russell.

The team was nosed out in the Ohio Conference meet by Case, 40-39. However, they got a lot of good publicity when they journeyed to the National Intercollegiate at Minnesota, only to be barred from the pool on a technicality.

Seated—Shorkey, Long, Weiant, J. K. Patterson.
Standing—Eagon, Ehle, Sebach, Coach Imel.

Front—J. H. Allen, Mgr.; W. H. Morgan, Simonetti, Weir, Gerrish, Blackburn.
Back—Dandridge, Olin, Sonenfield, Watts, Kirijan, Sparks, Dennewitz, Millikin.

TRACK

In spite of an apparent abundance of material, the track team had an extremely unsuccessful season. So far, the team has competed in three meets, as well as the Conference meet, and has lost each time. The fourth meet is scheduled to be held after the Reveille goes to press. Undoubtedly the poor condition of our track, upon which the team practices, has had much to do with their showing.

BASEBALL

Kenyon's 1937 baseball team was rather pathetic, losing all games played, although by more respectable scores than in recent years. Coach Imel did well to get nine men capable of playing baseball.

The chief trouble seemed to be the fielding, for pitchers Koegler and Cook often pitched ball that would have won games, had they been supported afield. Batting was also weak.

The outlook for next year, however, is considerably brighter, and Kenyon awaits their results.

The scores:

Denison 9	Kenyon 1	Denison 13	Kenyon 5
Wooster . . . 24	Kenyon 6	Otterbein . . . 8	Kenyon 1
Otterbein . . . 5	Kenyon 4	Ashland 8	Kenyon 0
Capital 9	Kenyon 0	Capital 8	Kenyon 2
Ashland 6	Kenyon 4	Wooster . . . 19	Kenyon 3

The squad consisted of: Catcher, Wright; Pitchers, Koegler, Cook, Sebach; Infielders, Bauser, Long, Sammon, Baker; Outfielders, May, Davis, Ehle, Taylor.

Front—M. H. Baker, Long, Wright, G. A. Cook, May, R. E. Davis.
Back—Coach Imel, C. F. Taylor, Koegler, Ehle, Sebach, Bauser, Sammon, Stowell, Mgr.

GOLF

Coached by Chuck Lord of the Class of '36, Kenyon's golf team had an unfortunate season, losing all five matches. However, hopes are high for 1938 when several phenomenal Freshmen will become eligible.

AERONAUTICS

The school year 1936-37 has proven to be a most profitable one for the Kenyon College Flying Club. When the year started there were eight men remaining from last year. At the close of the year there were five new members, all of which are actively flying.

During the year four meets have been held and Kenyon has come out of each of these contests the victor.

The first meet was held with Ohio State University at the Columbus Airport. Kenyon was an easy victor, winning first and second place in both events of the meet.

The second meet took place in Akron. Akron University, Purdue University, and Kenyon participating in the meet, but Kenyon again asserted its superiority by winning two first, two seconds, and one third place. The score showed, Kenyon 160, Akron 90, and Purdue 40.

The third meet was held by the University of Pennsylvania at Wings Field, Philadelphia. This was the first Eastern Intercollegiate Air Meet and was a most enjoyable affair. Harvard, Pennsylvania, and Kenyon completed and Kenyon again came through the fray with flying colors. Kenyon took all but one first place and all the second places. There were five cups given, of which Kenyon received four. The score showed Kenyon 30, Harvard 9, and Pennsylvania 4.

The last meet was held at Kenyon. Four schools were represented, Ohio State, Akron University, and Michigan. The results however were, to say the least, gratifying. Kenyon again emerged the winner with 106 points. Ohio State had 25, Akron had 12, and Michigan had 5. At the completion of the meet a barbecue supper was held on the airport, adding a final touch to the affair.

Seated—Asher, Boren, C. L. Henderson, Nichols, Legg.
 Standing—Mr. Gretzer, Elliott, Sonenfield, Lieurance, Rose, Doig.

At the present time plans are being made to compete in the National Intercollegiate Air Meet to be held in Hicksville, Long Island, June 18th and 19th. Every effort is being made to assure a creditable showing by Kenyon. Don Gretzer, flying instructor and honorary member of the club, should receive a majority of the credit for Kenyon's showings in the various meets, for it has been through his efforts and abilities that the club has gone so far. The coming year shows great promise as the majority of the club members are returning, and there are many men coming in that will make the club a larger and better organization.

Last year the Intra-mural Board inaugurated a number of new sports for the Intra-mural calendar. This year two more, bowling and bait-casting, were added. These, along with the usual type of athletics, furnish such a choice that it is estimated that by the end of the program every student on the Hill will have been active in at least one of them. To date, the games have drawn over nine hundred participants, an average of three and one-half sports per student. The Board and Mr. Kutler are to be congratulated for bringing athletic competition to every Kenyon man.

TOUCH FOOTBALL

Won by North Hanna, South Leonard second. 132 men competed. In the one league, three teams were tied for first place, East Wing, South Leonard, and Middle Leonard. South Leonard triumphed over East Wing, Middle Leonard was defeated, and in the finals, North Hanna, who had finished on top in their league, came through to win the Intra-mural Championship.

SPEED BALL

Won by South Leonard, Middle Leonard second. 126 men competed.

VOLLEY BALL

Won by Middle Leonard, South Leonard second. 94 men competed.

HAND BALL

Won by North Hanna, South Leonard second. 17 men competed. Although South Leonard has the individual championship in Jack Sammon, who defeated Ray Ioanes in the singles finals, North Hanna is Intra-mural Champion by virtue of longer duration of the team in competition.

BASKETBALL (A)

Won by North Hanna, South Leonard second. 100 men competed. In the championship game, South Leonard led until the closing minutes of the first half, when North Hanna went into the lead, 20-16, and finally won 41-23. Chubbuck, for North Hanna, was the star of the game, garnering 18 points.

BASKETBALL (B)

Won by North Hanna, South Leonard second. 36 men competed. In the final tilt for the Class B championship, Albee, for North Hanna, put his team in the lead early in the first half, and they were never headed, winning 14-12.

SWIMMING

Won by North Hanna, West Wing second. 60 men competed. With each man limited to only three entries in the meet, Bill Griffin, freshman back-stroke ace, could only get three first places. However, they were sufficient to insure North Hanna of first place, with 41 points. West Wing, collecting a number of seconds and thirds, ran a close second, with 37.

BADMINTON

Won by West Wing, South Hanna second. 16 men competed. Here again the value of duration of the team in competition was made apparent. Merrill Manz won over Ed Dandridge for the individual championship, but West Wing had more points and consequently, the championship.

CROSS COUNTRY

Won by Middle Kenyon, East Wing second. 5 men competed.

PING PONG

Won by West Wing, Middle Kenyon second. 18 men competed.

BOWLING

Won by North Hanna, Middle Leonard second. 10 men competed.

BRIDGE

Won by West Wing, four-way tie for second place between Middle Kenyon, North Leonard, Middle Hanna, Middle Leonard.

TRACK

Won by Middle Leonard, West Wing second. 84 men competed.

RIFLE SHOOTING

Won by North Hanna, South Hanna second. 10 men competed.

GOLF

Two-way tie for first place between West Wing and Middle Leonard, East Wing second. 18 men competed.

As the **Reveille** goes to press, North Hanna is far in the lead, with 423 points, followed by South Leonard, with 347, and West Wing, with 343. Last year the championship was won by Middle Leonard, with 420 points. South Leonard ran second, with 333½.

THE KENYON ASSEMBLY

Bingham, C. F. Taylor, Ake.

The Assembly includes every student of Kenyon. It is the most important manifestation of self-government on the Hill, and every member has the right to vote on problems brought before the body, or to bring his own ideas up for discussion.

This year the officers have been more active than usual, and have kept student interest in campus problems at a constantly high pitch.

President.....Carleton Frederick Taylor
.. Vice-President.....John Wethered Bingham, Jr.
Secretary.....Merlin Eldred Ake, Jr.

SENIOR COUNCIL

Bingham, McCallister, C. F. Taylor, Ake, Eustis, R. K. Davis, Gruber, Hughes, Seymour, Schmidt, Craig.

The Senior Council is the intermediary between the students and the faculty. Proposals made by the Assembly are presented to the administration by the Council. The organization also is delegated to present the cause of the student to the Discipline Committee in any case of discipline.

Robert K. Davis was chairman for the first semester, and Frank H. Eustis chairman the second.

EXECUTIVE COMMITTEE

Ascher, Millikin, Tuttle, Cullings, C. F. Taylor, Albert, Curtis, Wilson, Carlton, Boyer.

The Executive Committee acts as the official agency for allocating funds to extra-curricular activities. Last year the Collegian was completely revised as to publication policy through its efforts. This year, **Hika** for the first time received financial aid from the college. All funds of the Student Assembly, except those for athletics, are handled by the Committee.

The organization is composed of nine men, one from each division, and two faculty members.

Treasurer.....	Dr. P. M. Titus
Secretary.....	John Albert

THE COLLEGIAN

Seated: Lawrence, Greaves, W. H. Morgan, T. J. Gray.
Standing: Griffin, M. D. Miller, N. C. Smith, MacLeish, Boyer, R. B. Baker, Peoples, Curwen, Mitchell, R. P. Gray.

The Collegian during the past year carried on the work begun by Robert Mueller, '36, who had begun weekly publication. Under the able editorship of William H. Morgan, '37, student opinion was clarified and promoted more than had ever been done before, that expression taking the form of a "Collegian Platform."

Francis H. Boyer, '38, is the new editor and has already assumed his duties.

Standing: Cruttenden, Owen, R. P. Gray, Prosser, Tozzer, Paskins, Devine, Rose, Lytle, Lawrence.

This most recent of Kenyon literary enterprises has completed a second successful year, very generously supported by the student body as well as the alumni. This magazine, which two years ago, began uncertainly, has now become an institution in its own right, accepted by the College as its official literary publication. With continual improvement, which the magazine has evidenced with every successive issue, still greater accomplishment may be expected next year under the same staff.

KENYON DRAMATIC CLUB

Seated: Gaede, Porter, Prosser, Olin, Bingham, Dandridge, Tuttle, Albert, Doepke, Dr. Ashford, Hawke, Olds, Boggis.
Standing: Scanlon, Wruck, Peoples, J. H. Allen, N. M. Gage, Grudier, Sawyer, Froome, R. H. Weeks, McKinley, Devine, Kenyon, Brunt, Widmer, Peterson, W. M. Smith, Bell, Lott, J. W. Lehrer.

Playing to capacity crowds that filled every nook and cranny of Nu Pi Kappa Hall, the Dramatic Club enjoyed the most successful season of its four-year career. The four selections of the past season, because of the polished acting, the new departures in stage design, and the competent handling of the many off-stage tasks, were far superior to any plays previously presented. The six remaining founders of the Club, Albert, Bingham, Gage, Dandridge, Lasher, and Weeks, graduates of '37, leave behind them a large group of talented actors and production men who are ably qualified to carry on the splendid work of the Dramatic Club, fastest-growing and most popular organization on the Hill.

The Club is deeply grateful to Mrs. John W. Black, Mrs. Charles Imel, and Mrs. Clarence Dodd for their interest and cooperation during the past year.

Officers:

President: John J. Albert
 Treasurer: Robert W. Tuttle
 Director: Dr. John M. Black
 Assistant Director: Thomas M. Sawyer, Jr.
 Stage Manager: Edmund P. Dandridge, Jr.

Productions of the 1936-37 season:

"Androcles and the Lion" by George Bernard Shaw
 "The Racket" by Bartlett Cormack
 "Amaco" by Martin Flavin
 "Twelfth Night" by William Shakespeare

Standing: R. B. Brown, J. B. Ellis, J. H. Allen, Weiant, Acheson, McKinley.

Variety was the theme of the Nu Pi Kappa meetings this year. The first paper to be read and discussed was Mr. McGowan's "Primer For Politicians", revealing for all time the vagaries of politicians. The next was a paper by Dr. Ashford on a Scottish poet, followed by Lee Allen on Scott Fitzgerald and John Dos Passos. Finally, David Acheson, fresh from exposure to his subject in New York, delivered a paper on "Shakespearian Drama on the New York Stage."

If there is anything startling about the 1938 **Reveille**, it is the effort toward a little less formality in the photography, and the use of color for the first time in several years.

The above picture is actually of the staff, although there has been some comment on the disappearance of invaluable wax-works from the office about December.

Our gratitude to all those who helped in the production of the book, and best of luck to the Editor and Business Manager of next year's book, Hugh Lawrence and Malcolm Doig.

R. F. Stamm, Crumrine, Wuerdeman, Eustis, Dandridge, Koegler.

The Klan, brought into existence only a few years ago, has become increasingly active on the Hill. The organization includes all lettermen voted in.

They have done much to further the cause of minor sports at Kenyon, and have succeeded admirably. When and if the Freshman situation becomes tense, the Klan is a definite factor in maintaining discipline.

In the past several years, the Choir, under the able direction of Newell Lasher, has attained a status approaching that of a decade before, when there was actually competition, and keen competition between students for the honor of singing in it. They participate regularly in Sunday services at the Chapel, as well as all other services where they may be required.

The Economics Club, always an active organization on the Hill, has this year met with even greater support than before in the form of increased membership and general attendance at its lectures. The past year, the club was fortunate in obtaining at least three prominent economists to lecture.

The Lecturers

Professor Edison Bowers, Ohio State University, who spoke on "Promotion of Individual Security Through Legislation."

Professor William Hewitt, University of Cincinnati, who spoke on "Recent Economic Changes and The Nature of Capitalism."

Professor Paul S. Peirce, Oberlin, who spoke on "Reciprocal Trade Agreements."

POLO CLUB

Seated: Griffiths, Sted, McMahon, Dr. Ashford.
Standing: Sparks, Porter, Aiman, Navin, Watts, Trainer, Doig, Lott, Gulick, Tuttle, Ford, Gunn, J. B. Ellis, Ake, Doepeke, G. A. Cook.

This club, a relatively new one at Kenyon, was formed in 1936 for the purpose of improving the playing facilities and equipment, so that it will be possible to develop polo and polo players on the Hill.

Under the sponsorship of Captain Eberle, a series of programs have been given, and several books placed in the library, for the technical enlightenment of all those interested in riding. It is hoped that this club can be developed along the lines of similar organizations at Cornell and Princeton, establishing a bond of friendship and respectful recognition of Kenyon among the Eastern schools.

At the annual banquet on May 17th, President Peirce, who is an accomplished rider, was made Honorary President of the organization.

The Glee Club was organized in February of this year. Under the direction of Mr. Gene Taylor, a number of concerts were given. The first was at the Vine Theatre in Mt. Vernon. Flushed with the success of this enterprise, they next traveled to Toledo, where they sang on April 30 at St. Marks Church. The concert was followed by a dance in their honor. The next morning they sang over radio station WSPD in Toledo.

Following this, they appeared under the auspices of the Mt. Vernon Chamber of Commerce at a banquet for President Peirce. Morton Cook is the new president of the club.

VARSITY DEBATE

Boyer, Seymour, Dr. Black, Skiles, Schmidt.

Varsity Debating at Kenyon was started in 1935. Since that time they have debated many major Ohio colleges, with considerable success. Because regular inter-collegiate debates are no-decision affairs the extent of this success must be measured primarily by the interest taken by the members of the team in the competitions, and the number of colleges engaged.

This year the team debated the following Ohio colleges: Muskingum, Ohio University, University of Cincinnati, Kent State, Ohio Wesleyan, Denison, Hiram, and Capital. Next year they hope to debate a team from a British university.

TAU KAPPA ALPHA

Dr. Black, W. P. Weeks, Schmidt, Hughes, Boyer.

Tau Kappa Alpha was founded at Kenyon in 1936. It is the only National Forensic Fraternity which is a member in the Association of College Honor Societies, a group of the nation's most select college honor fraternities. Men are admitted to Tau Kappa Alpha who display general forensic abilities.

This year the group has sponsored an inter-divisional speech contest, won by South Hanna. In the near future, they intend to sponsor a Speaker's Bureau.

Ryebuck Brown

"O see them Ryebucks at play," jostled a portly member of the Board of Trustees early one Sunday morning.

"Why, them creatures aren't playing," retorted Captain Mac Frye, of the Gambier Police, "they're Ryebuckin'. As I comprehend the situation, and I come in contact with them quite frequently, they are interpreting the manly art of self-defense and the necessity for physical, mental and moral development in youth."

Captain Frye was quite right. Fortunately a candid cameraman was on hand to catch a typical scene in the lives of these young Christians. Three Ryebucks do not appear in the photo. Ryebuck Eberle was out blowing up a synagogue at the time; Ryebuck Ashford had gone fishing; and Ryebuck Gretzer had gone haywire.

The purpose of the Society is purely Platonic. The motto is "Ryebucks Tonight and Tomorrow Night." Hence we have RYEBUCK, which, in old Arabic, means "Play Hard."

The highest spot of the year's activities occurred when that man Franklin D. Roosevelt applied for membership into Ryebuck. The Ryebucks, in their own inimitable manner, wired back, "Sorry Frank, we don't play that hard."

ROD AND GUN CLUB

Front: Canine Friend, Tootsie, Greaves, Dandridge, Albert, Wilson, H. W. Brown, Bingham.
Back: C. F. Taylor, Curtis, Weiant, Eustis.

Functioning purely as a charitable organization, this group has for years given informal banquets for worthy students. Usually these banquets take the form of an overnight outing, and nearly everyone goes out. Possibly because of the humble station of the group, members of the faculty who are suspected of having joined in their student days, have no desire to admit their affiliation.

This year the club has planned a gala affair, for the benefit of overworked Juniors, which will include many solid delicacies, and a variety of precious liquids. After the celebration, the participants hope to sing in unison a chosen number of National Anthems.

THE DANCES

The Dance Committee, composed of one member from each of the three upper classes, has this year come through far beyond the wildest dreams of the light-footed Kenyon students. For the Fall Dance they obtained famous Red Nichols and his wailing trumpet. For the May Dance, Ted Lewis, with his battered stovepipe, and his entire gigantic colossal gallivantin' floor show made the music and entertainment in Peirce Hall. In the picture above, a huge "K" has been formed by the dancers.
